CAN YOU HELP ?

Over the past decade, the Dromana Football Club has made a dedicated attempt to update the club history, playing records and award winners. It has taken many hours to research and verify all the information; and, while the documentation of records for the period **2000-2018** has been completed satisfactorily, there are still many gaps in our club's history.

If any readers are aware of DFNC trophy winners in the period 1920 -1999, please contact the club so that the information can be correlated, updated and posted on this website at a later date.

For example: If you have (or unearth) any old trophies, medals and memorabilia in your possession simply write down the details (name of the award, recipient and year) and please forward to the club.

Thank you for your assistance in this important part of DFNC history.
